SUBMISSION OF REPLACEMENT DRAWINGS WHICH WERE OMITTED FROM APPLICANT'S RESPONSE FILED MARCH 14, 2005

Dear Sir:

In response to the PTO Communication dated May 23, 2005, please substitute the attached "REPLACEMENT SHEETS" (Figures 1 and 2) for drawings previously filed with the Application filed on September 30, 2003. The "REPLACEMENT SHEETS" incorporate the changes required by the Examiner's Objections dated December 23, 2004 and were inadvertently omitted from Applicant's Response filed on March 14, 2005. No new matter has been added.

For all the reasons asserted by the Applicant in the Response filed March 14, 2005, Applicant believes this application is now in condition for allowance.

Applicant further thanks the Examiner for the extended time within which to supply the omission or correction in order to avoid abandonment.

Respectfully submitted,
